Important Game Day Information

All teams will play two games unless weather forces us to change the format. **Players will wear their team uniform at the games. **Players should bring their own helmet, bats & catching gear.**** The games will start with players lining up on each foul line 3' a part and they will introduce themselves and announce what team they played for this 2021 season. The teams will bat the lineup and there will be free substitution. If a team bats around, we will simply stop and change sides. Coaches are encouraged to move players around to different positions and not let a player remain on the bench more than 2 consecutive innings. Games will be 1hr 40 min. and we will play till that time is up. Delayed starting times could cause games to be shorten in length. We do not keep score, there will be no winners and no losers. **Correction, there will only be winners.** The game is set

up to honor the All-State Showcase Players. **Each game will end with them again lining up 3' a part and tipping their hat to the fans.**

Great way to end the 2021 season & Congratulations to All the Nebraska All State Showcase Players!!
